### Description

The vegan produced *Message In A Bottle Bianco Toscana Igt* Il Palagio comes into the glass with bright light yellow. To the nose this Il Palagio white wine shows all sorts of quince, nashi pear, apples and pears.

The wine delights with its elegantly dry flavour. It was bottled with only 1.6 grams of residual sugar. This is a real quality wine, which clearly stands out from simpler qualities and so this Italian naturally enchants with the finest balance despite all dryness. Excellent taste does not necessarily need sugar. Balanced and multifaceted, this silky white wine presents itself on the palate. Due to the moderate fruit acidity, the wine flatters with a velvety mouthfeel, without lacking freshness at the same time. In the finish, this youthful from the wine-growing region of Tuscany finally thrills with beautiful length. There are again hints of pear and quince.

### Vinification:

This white wine clearly focuses on one grape variety, and that is Vermentino. Only the best grapes were used for this wonderfully balanced single-varietal wine from Il Palagio. After the hand harvest, the grapes are immediately taken to the winery. Here they are selected and carefully broken up. Fermentation then takes place in stainless steel tanks at controlled temperatures. Vinification is followed by aging on the fine lees for several months before the wine is finally bottled. Once the wine is finished, Message In A Bottle Bianco Toscana Igt is carefully harmonized.

### Food Pairing:

This Italian wine is best enjoyed moderately chilled at 11 - 13°C. It is perfect as an accompaniment to spaghetti with yogurt-mint pesto, vegetable salad with beetroot or stir-fried vegetables with fish.

Robert Oatley Helmsman Chardonnay is a flavor-packed white wine that comes from the West Australian vineyards. Stone fruit, fig and subtle citrus flavours, balanced by toasty oak.

### About the Winery:

Robert Oatley is a family-owned winery in Australia. Though this brand's history dates back to over 40 years ago, this label was registered as a wine company only in 2006. This company is the result of the winemaking passion of a proud Australian Robert Oatley (1928-2016). After his death, his son, Sandy Oatley, continues to run this winery with the same passion to date. The first vines of this family estate was planted in the 1960s in Australia's premier wine regions of Margaret River and McLaren Vale.

*“Issued from a selection of vineyards close to the village of Correns, just north of Brignoles in the heart of Provence.”*

### **Description**

#### Vinification Details:

Grapes were hand sorted twice to ensure that only the best grapes made it into the rosé. The grapes were gently pressed to extract the right amount of colour. The wine was fermented in stainless steel tanks and has no new oak influence.

#### History:

Château Miraval is located in the Provence village of Correns, the first 100% organic village in France. Tucked away in its own private valley, the Château is surrounded by ancient woodlands and olive groves. In 2012, owners Brad Pitt and Angelina Jolie partnered with the Perrin family of Château de Beaucastel fame, who oversees wine production at the estate. Their continued dedication to improving quality has seen the wines go from strength to strength.

#### Regional Information:

Château Miraval has 50 hectares of grapes grown on the estate. The majority of the fruit for this wine comes from the Château's three best parcels - Muriers, Longue and Romarin. The remainder is sourced from within the Correns region, just north of Brignoles in the heart of Provence. The terraced vineyards are at 350 metres altitude, resulting in cool nights that moderate the warm days which in turn help the grapes retain their delicate aromas and crisp acidity.
