Bogle Petite Sirah 2018

A staff and customer favourite for those who love rich, peppery reds. First produced in 1978 by the Bogle family, this Petite Sirah is considered Bogle's "heritage" varietal. On the nose, luscious boysenberry is evident along with touches of black pepper and herbs. Trademark inky and jammy tones fill the mouth with ripe fruit and berries. The voluptuous finish lingers with toasty oak and lush fruit. 14.5% *Our family sources grapes from some of the best vineyards across the state. These grapes complement those from our estate vineyards in Clarksburg, Lodi and the Sierra Foothills. To ensure the continued quality of our wines year*

Bonterra Cabernet Sauvignon 14% 2018 Mendocino County

12.99 Wenteise

Wine of the U.S.A. Organic Wine. Certified California Organic Farmers. At its core, organic farming is a collaboration with the land.

We welcome beneficial flora, insects and animals - like the free-roaming sheep honoured on this bottle - alongside our organic vines to boost earth's own vitality and resilience. The result: wines that are perfectly in tune with nature. This Cabernet Sauvignon epitomises balance with a juicy palate of ripe pomegranate, cherry and blackberry and underscored by a decadent thread of rich dark chocolate and leather. Soft tannins are framed by a subtle suggestion of oak in this complex expression of our organic fruit. Jeff Cichocki, Winemaker Juicy and bright with a punch of blackberry and stewed plum fruit right from the off. A dusty tannic backbone holds it all together right through to the long, memorable finish. Perfect with rare red meat, or a plate of sausages.

This wine is filled with big, bright fruit aromas of pear and peach.

Nose: This wine is filled with big, bright fruit aromas of pear and peach

Palate: This wine is viscous and creamy in the mouth. All the flavour promised by the nose is amply delivered with a long finish.

Firestone Riesling 2020 12.5%. Critic tasting note: "Intriguing lines of lime tonic, peach and guava peel show on the nose of this bottling. There's a brief impression of sweetness on the palate, then comes the citrus peels and tart pear flavors, with a pinch of sea salt. Matt Kettmann" -89/100, *Wine Enthusiast*

Lodi

15.99, ~~Wentworth~~

Wine of USA. Certified Sustainable California. Lodi. Brazin is boldly dedicated to the spirit of Californian Zinfandel and the families who cultivate this rugged and rich red grape. These families still grow Zinfandel the old way - head trained and untrellised - just as their grandparents did over a century ago. These old vines produce the exceptional quality found in Brazin Zinfandel - concentrated and bold, with strong depth of character, robust aromas and flavors of rich black fruit and mocha with hints of black pepper.

District 7 Pinot Noir

The 2019 Pinot Noir delivers the subtle elegance that can only come from sustainably farmed, cold-climate vineyards. Key aromatics include cherries, plums and raspberries with notes of mocha, vanilla and smoky oak. The palate is rich, smooth and silky with a lingering bright red fruit finish.

KIP LORENZETTI

WINEMAKER

No stranger to Paso Robles, over the course of his decade-long winemaking career, Kip has become a specialist in California's Central Coast and has developed an expertise for blending wines – a skill he puts to work frequently when creating all our unique Chronic Cellars blends. He kicked off his passion for wine with a hands-on experience in the cellar at Orcutt Cellars in San Luis Obispo, working with vineyards from the famed Edna Valley AVA. He honed his craft even further as the assistant winemaker at Terravant Wine Company (now Summerland Wine Brands), working with some of the best vineyards from across California's top wine regions. Most recently, Kip was the winemaker for Wild Horse Winery & Vineyards, where he guided the winery's extra quaffable wine program that included Burgundy, Bordeaux & Rhone varietals. With his undeniable passion for winemaking, Kip Lorenzetti injects his skill and sense of adventure into guiding the future of our high personality wines.

Jake and Josh Beckett grew up in Paso Robles wine country. So it was no coincidence that the pair would found Chronic Cellars together back in 2004. 'Chronic' is the brothers' shorthand for 'awesome', as, with thanks to their close contacts with the best grape growers, these wines are made from the finest grapes.
